Brand New Book ***** Print on Demand *****.Walter earned a BA in journalism and fourteen hours of biblical studies from Baylor University in 1974. He worked for Texas newspapers as a proofreader, a copy editor, a reporter, and as an editor of a small Waco newspaper. While working for the Texas AM University System, he developed eleven training manuals. These experiences taught Walter how to edit and write concisely. In 2008, Parkinson s disease forced him to retire. It was then that he found time to write about the Bible. His projects include Hell is a New Testament Word, The Origin of the Bible, and a chronological, gospel-composite account of the ministry of Christ. He has prepared excerpts from the Bible such as the Sermon on the Mount and the parables of Jesus and had them translated into Spanish for distribution. Because Parkinson s disease degenerates the nervous system and brain, writing Fast Food from God has been a race against time for Walter. He thanks God for allowing him the time to finish the work and gratefully acknowledges His inspiration. Walter is a member of Bible Study Fellowship and has completed the study of John, Isaiah, Acts, and Genesis. He lives in Arlington, Texas, with his wife Carol and their five spoiled cats Buster, Buddy, Brownie, Tuffy, and Sammy.
