Peninsula Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this exploration of lost hope and dreams, Wayne Frye goes inside Lady Liberty in America and finds that she is empty. This is a compendium of truth that lays bare the soul of a nation that is all facade with no core. Like his critically acclaimed TheCatastrophic Calamities of a Village Idiot in the Real Evil Empire and Fighting for Justice in the Land of Hypocrisy, in this effort, he tackles the lack of compassion in a nation that is the prime threat to world peace and uses its own unique brand of terrorism to bring othernations to their knees. As always, Dr. Frye pulls no punches and in his rapid fire prose that obliterates the privileged class and corporate entities that want to enslave all of humanity in service to the exalted few who rule like ancient potentates in their incipient desire to possess more and more.
