BRAND NEW, Live it: Fairness, Natalie Hyde, Presented in a graphic novel style, these exciting books offer inspiring stories of real people whose actions have demonstrated great character and strong values. Each book features one particular character trait through key moments in the lives of up to six different people throughout history. Sidebars provide key background information on the person. Sharing, taking turns and treating everyone we meet with respect are ways we can show fairness to others. But how do we know what's fair? And how do we follow through on what we know is right? As you read, you'll also ask yourself how you would have responded in some of the situations they faced.
