

## Marguerite Yourcenar: Inventing A Life.

Filesize: 1.79 MB

### Reviews

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.*

University of Chicago Press, Chicago and London, 1993. Hardcover. Book Condition: New. 546 pages. Hardcover with dustjacket. New book. BIOGRAPHY. Marguerite Yourcenar was born Marguerite de Crayencour in Brussels in 1903. She lost her mother at birth, her native Belgium at the age of six, and was forced to flee her adopted France at twelve. It is little wonder that Yourcenar, whose own early past receded so quickly into personal legend, would one day describe her writing as the "passionate reconstitution, at once detailed and free, of a moment or a man out of the past." One of the most respected writers in the French language, best known as the author of *Memoirs of Hadrian* and *The Abyss*, she was awarded countless literary honors, culminating with her election in 1980 to the Acadmie Franaise (she was the first woman ever to be so honored). As complex, erudite, and intriguing as her work, Yourcenar's life has resisted its own passionate reconstitution until now, in part because of the writer's deliberate elusiveness, even in her autobiographical trilogy. Here, in its intricate and often contradictory detail, is Marguerite Yourcenar's story, one in which loss and learning intertwined almost from the first and in which love assumed a strangely paradoxical place. Drawing on letters, diaries, and interviews with Yourcenar's friends, colleagues, and lovers, Josyane Savigneau's biography paints an intimate portrait of an artist who lived according to her own, occasionally contrary, terms: a Frenchwoman ardently in love with her native tongue, yet who lived half her life in New England; an avid seductress of women, who spent nearly forty years with one woman, yet fell in love early and late in her life with two young men; a powerful female writer whose most memorable protagonists were male, from *Alexis* of her first novel to...
