

## Contemporary Economics and Globalization in Islamic Countries (Paperback)

By Prof Issam Aw Mohamed

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Contemporary world economic situations are galloping with tremendous innovations and communications technologies. Factors of production are easily transferred and new emerging competing economies entered international markets with their products and capitals. Geographical impediments disappear and backward monopolies have to ameliorate their strategies. However, there are other economic paradigms which have solidly enforced their existence in the new world creation. Within these Arab-Islamic economies are establishing their roles, though shyly and with no specified strategies. Nevertheless, they cannot deny that they are part of a global process, in which they have to adapt or perish. Everywhere in the world there are discussed now the issues of renewal of the global agenda, up-to-date and current megatrends and oncoming changes. They are assumed to be connected with the emergence of a new economy. That is enhancing openness in interstate relations. The process is of the emerging markets joining the group of advanced economy states and the origination of an international system to promote their stable and sound development. Certainly, Muslim countries may not be kept apart from this multiple factors. The...
