## MY REMEMBERS: A BLACK SHARECROPPERS S RECOLLECTIONS OF THE DEPRESSION (PAPERBACK)

University of North Texas Press,U.S., United States, 1999. Paperback. Book Condition: New. B. Breckenridge (illustrator). New edition. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 1929, near Plano, Texas, Eddie Stimpson Jr., weighing 15-1/2 pounds, was born to a 19-year-old father and a 15-year-old mother. The boy, his two sisters and mother all grew up together, with the father sharecropping along the old Preston Road, the route used by many freedmen trying to escape Texas after the Civil War. His childhood was void of luxuries, but full of country pleasures. The editors have retained the simplicity of Stimpson s folk speech and spelling patterns, allowing the good-natured humility and wisdom of his personality to shine through the narrative. The details of ordinary family life and community survival include descriptions of cooking, farming, gambling, visiting, playing, doctoring, hunting, bootlegging, and picking cotton, as well as going to school, to church, to funerals, to weddings, to Juneteenth celebrations. This book will be of extraordinary value to folklorists, historians, sociologists, and anyone enjoying a good story.
