Spiffing Covers, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. My interest in the Beatles all started with me reading an article on Buddy Holly performing in a back street pub in Liverpool which led me to discover that Ringo Starr lived on the same street. This took me on a journey to find out where these four lads grew up in the back streets of Liverpool, which years later inspired me to restore and preserve as much Beatles heritage as I could, Finding along the way places and stories that not many people know about. This would then be the core to this book in which I describe my time as a live in custodian of Paul McCartney and John Lennon s childhood homes, working for the national trust. My passion made me walk the back streets of Liverpool for 17 years looking and finding the places where these four lads grew up to be the biggest band ever.
