Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.President Obama strongly believes that the United States must equip more students to excel in science, technology, engineering, and mathematics (STEM). That is why the President's 2016 Budget invests more than \$3 billion, an increase of 3.8 percent over the 2015 enacted level, in STEM-education programs across the Federal Government. The 2016 Budget includes investments that will benefit students in a number of critical areas: Supporting more STEM-focused high schools, with a new \$125 million competitive program at the Department of Education (ED) to help communities across America launch Next-Generation High Schools that will be laboratories for cutting-edge STEM teaching and learning. Preparing excellent STEM teachers, with \$100 million in the 2016 Budget for high-quality teacher preparation within ED's new Teacher and Principal Pathways program, including a priority for STEM teacher preparation programs that make progress on the President's goal of preparing 100,000 excellent STEM teachers. Improving undergraduate STEM education, with the National Science Foundation (NSF) investing \$135 million to improve: (1) retention of undergraduate STEM majors; and (2) undergraduate teaching and learning in STEM...

### Reviews

*Extensive information for ebook lovers. It typically is not going to expense too much. I discovered this book from my i and dad recommended this pdf to learn.*
