From The Foreword by Dianne Collins, Author of Do You QuantumThink? New Thinking That Will Rock Your World Every one of us is born a blessed bundle of joy with the potential to move the world with the tiniest acts of kindness and caring. The sensitive, sweet, inspired spirit of a child very naturally wants to help, to contribute, to give, to make a better world. All we require is guidance and nurturing and acknowledging of that power inherent in each one of us. In this wonderful, amazing, charming and important book, Beth Davis shows us how. The song lyric Teach your children well resounds through every page as you read about children who at the youngest ages have created causes for good, have volunteered with boundless enthusiasm, have extended a helping hand and a loving heart to their fellow small-sized human beings, that each and every child may enjoy an abundant and productive, happy and healthy life. All because a parent, a teacher, a friend showed them the way. With the storytelling ease and profound wisdom of a saint, Beth Davis becomes that friend to all of us. With childlike wonder she whisks you up, up and away on a magic carpet ride of kindness and caring through stories and experiences that will warm your heart, ignite the most elevated aspects of your soul, expand your mind and fill you with the meaning and purpose of what life is all about- -caring and sharing. All the while standing firmly on the ground of practical action, planting and sowing seeds of human potential as she has you realize how truly easy it is to make a difference. Davis...
