Random House USA Inc, United States, 2006. Paperback. Book Condition: New. Reprint. 200 x 132 mm. Language: English . Brand New Book. Bret Ellis, the narrator of *Lunar Park*, is a writer whose first novel *Less Than Zero* catapulted him to international stardom while he was still in college. In the years that followed he found himself adrift in a world of wealth, drugs, and fame, as well as dealing with the unexpected death of his abusive father. After a decade of decadence a chance for salvation arrives; the chance to reconnect with an actress he was once involved with, and their son. But almost immediately his new life is threatened by a freak sequence of events and a bizarre series of murders that all seem to connect to Ellis's past. His attempts to save his new world from his own demons makes *Lunar Park* Ellis's most suspenseful novel. In this chilling tale reality, memoir, and fantasy combine to create not only a fascinating version of this most controversial writer but also a deeply moving novel about love and loss, parents and children, and ultimately forgiveness.
