Have you ever wished school came with instructions? You're finally in luck! The Elementary and Middle School Student-Friendly Handbook to Navigating Success is packed with 110 easy-to-do techniques you can immediately put into practice; and, so you know it's not just busywork, each tip is followed by a simple explanation of why it's helpful. Offering a wide range of strategies, from waking up fifteen minutes earlier to always showing all your work when solving math problems, this book explains how your actions at home and at school can either improve or hurt your chances of success. The good news is that whether school is easy or hard for you, you can achieve a good education and pursue your dreams. By following the steps outlined in this handbook, you're setting yourself up to succeed—not just in school, but in life, too! Invite a friend to practice these strategies with you and watch how quickly you can start accomplishing your goals!.
