## THE STEAM ENGINE: PRIDE OF BRITAIN

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Steam Engine: Pride of Britain, Anthony Burton, This is the story of a machine that began as a crude device used only for pumping water from mines, to become the main driving force behind the mills and factories of Britain for nearly two hundred years. By the end of the 18th century, the steam engine was no longer stuck where it was built: it moved into the world of...

### Reviews

---

*This pdf may be worth acquiring. It can be written in easy words and phrases and not hard to understand. I am pleased to tell you that this is basically the finest book I have read through during my personal existence and might be the greatest pdf for any time.*

-- **Jeffry Tromp**

*This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.*
