

## An Introduction to Chess Moves and Tactics Simply Explained (Paperback)

---

By Leonard Barden

Dover Publications Inc., United States, 1964. Paperback. Book Condition: New. Dover.. 213 x 137 mm. Language: English .  
Brand New Book. With this book you'll find out how easy chess is to learn. The exposition is clear and informal and strikes a rather unique level. Whereas most introductory manuals are either sketchy and undeveloped, or else lose the reader in a maze of technical detail, this volume is one of the very few intermediate accounts. It covers the most elementary procedures and also takes you through the development of basic strategic notions. Written by a well-known British master and chess correspondent, it packs an amazing amount of material into its pages, and gives you a quick, easy-to-follow, full course of instruction.
