Immedium. Hardback. Book Condition: new. BRAND NEW, Welcome to Monster Isle, Oliver Chin, Jeff Miracola, "Jeff's work has fascinated me since we first met while working on games like Dungeons & Dragons. His art and imagination were cutting-edge then, and what he brings to the children's book world is cutting-edge now."--Tony DiTerlizzi, co-creator of The Spiderwick Chronicles "If I were a zombie, Jeff Miracola's brain would top my list of things to eat. And this book would be dessert."--Scott M. Fischer, illustrator of the New York Times bestseller Peter Pan in Scarlet "It's a charming introduction to cryptozoology for very young children, with the polysyllabic words they seem to enjoy, and gorgeously illustrated. And it has positive messages aplenty: man and manimal can live in harmony; you create your own fears; and working cooperatively is rewarding. If, as an adult, you have to read the same story every single night till your sanity gives way, this will be more pleasant than 99% of the competition."--Fortean Times "Welcome to Monster Isle is a children's book I would have loved to read to my own kids. The kids will love these monsters, and adults reading this book to those kids will appreciate the homages, the lively plot, and the fun art. It'd be a terrific gift for any creature-loving kids in your life."--Tony Isabella, Comics Buyer's Guide A family's vacation goes bananas when a perfect storm tosses their skipper's tiny boat off course. Now seven castaways are stranded on an uncharted desert island! Finnegan, his sister, parents, and dog Howl venture into the wild and encounter a menagerie of colorful monsters. Can these hardy survivors befriend seven beasts straight from their wildest imaginations? Whimsical and lushly layered illustrations invigorate a zootopia of mythical creatures like the Yowie, Abominable Snowman, and Ogo Pogo. Adventurous readers...
