Excerpt from Pure Phonics for Home and Kindergarten: Short Essays Which Present the Need and Method of Teaching the Elementary Sounds of the English Language to Children Before They Are Taught to Read Script or Print the Object Being to Induce Plainer Speech and Reading by the American People Generally Introductory to the subject-matter of this volume, and as an apology for its issuance, I take the liberty of presenting some extracts from an article on Public Delivery, by Alexander Melville Bell, as published in Werner's Magazine, February, 1897: The rarest quality among all classes of speakers is the clear and intelligible delivery of words. That which ought to be characteristic of every educated person, we look for almost in vain among the majority of the most highly educated. Instead of sonorously vocalizing, crisply articulating and speaking out to their hearers, they mutter and mumble and speak to themselves. The fundamental fault is the absence of phonetic syllabication. Syllables and words run together, so that the closest attention is required to enable the hearer to gather...
