Preppers Guide to Safe Survival and Self-sufficient Living (survival books, survivalism, prepping, off grid, saving life, preppers pantry, help self) Are you prepared for the worst case scenario possible? Do you know what it takes to survive in an SHTF environment? Have you obtained a bug out location, made a plan for disasters, and stocked your medicine cabinet, as well as your pantry? If you ve answered no to any of those questions, you might want to scroll up and grab a copy of this book. It has the latest information about bug out locations and how to find one, as well as how to prepare one. Having a place to go that s safe during an emergency could be the difference between you and your family surviving an SHTF event. With today s health concerns over the flu and other epidemics spreading across the globe, a scenario where you have to survive on your own is not that far out of the realm of possibilities. The financial system is not looking its best either and don t forget about the skyrocketing crime rate and unemployment rates. It doesn t have to be an asteroid heading for earth and destroying half the ecosystem that has you using your prepper s materials, it could be just a financial crisis where civil unrest has gotten out of hand. In this book, you ll find: Information on how to find and prepare a bug out locationHow to prepare for natural and unnatural disastersWhat should be in your first aid kitWhat you need in your prepper s pantryThe basics...
