BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The former commander of 1st Battalion, 24th Infantry Regiment during its transformation to a Stryker unit, Colonel Emmett Schail deployed in support of Operation Iraqi Freedom from September 2004 through June 2005 as the deputy commanding officer (DCO) for 1st Brigade, 25th Infantry Division - the Stryker Brigade - based in Mosul, Iraq. In this interview, he begins by sharing his expertise and insights on the Stryker vehicle itself in great depth, saying that the beauty of the Stryker is the great flexibility it gives the commander at all levels. Schail then moves into a discussion of a variety of leadership topics, from how to go about constantly challenging leaders minds to fostering a learning culture within a unit. Next, he talks about his full range of DCO experiences in Iraq, starting with the deployment and handoff with 3rd Brigade, 2nd Infantry Division, and then going into his particular duties, much of which were to just be where the commander - Colonel Bob Brown - wasnt. Schail also was responsible for establishing and transforming the Stryker Brigades intelligence and information operations in Mosul and for networking the brigade with higher intel assets, such as DIA, CIA and NSA, in order to defeat al-Qaeda forces. When we first got there, we were getting mortared every day and you couldnt leave the gate without getting into a firefight. I said, This aint going to stand, so we took the fight to them. A Stryker unit can do that. In terms of their success rate, Schail said that, As far as taking the fight to the enemy and really re-securing Mosul and a good part of northern Iraq, yes, we took that to them....
