Dealing with the death of both his parents within eight days of each other led the author to reflect on grief and loss. These essays, written from a Christian perspective, also deal with aging, chronic health conditions, family crises, burnout, and other challenges we face here in this fallen world. This book can help anyone experiencing a tragedy, or going through grief recovery, or questioning, "Where is God?" and wondering how to find Him again. Useful as a ministry tool and resource, it can be given to family members and friends who are suffering.
