Excerpt from Hints and Thoughts for Christians Did you ever look through a spy-glass? How it magnifies every object that comes within its range! How plainly you can see things that are a great way off! And then, did you ever turn it and look into the large end? How small, and how very far off it makes every thing look! And yet you see every thing very distinctly, though they seem so small. In looking back upon the years and the things that are past, I sometimes seem to be looking through a spy-glass in this way.
