CELESTIAL ARTS, United States, 2011. Paperback. Book Condition: New. 2nd Revised edition. 224 x 188 mm. Language: English . Brand New Book. Whether you're just discovering raw foods or already well-versed in kimchee and wheatgrass, this revised edition of *The Raw Truth* combines a wealth of raw foods know-how with a diverse array of delicious recipes. This essential reference offers an extensive primer on the benefits of raw foods, the four living food groups (fresh, sprouted, cultured, and dehydrated), specialty ingredients, and helpful kitchen tools. Raw foods pioneer Jeremy A. Safron explains in simple terms how life promotes life with a raw diet. When vital enzymes essential to digestion have not been destroyed by heat or processing, the uncooked foods provide our bodies with energy and nutrition quickly and efficiently. This leads to enhanced vitality, increased detoxification, and improved well-being. But these foods don't merely offer health-giving properties--they also form the basis of recipes that are easy to make and packed with flavor. Safron shares his take on simple smoothies and drinks like Thin Mint and Mellow Melon, quick soups like Tom Yum and Cucumber-Dill, hearty entrées like Falafel, Lasagna, and Thai Curry, and rich desserts like Coconut Custard and Carob-Hazelnut Torte. Many of these recipes are customer favorites from Safron's Raw Experience restaurants, which were renowned for their creative menus and valued as education centers for the global raw movement. With nearly 200 recipes and information on transitioning to a raw foods diet, *The Raw Truth* is a comprehensive guide to a vibrant, healthy, and sustainable lifestyle.
