

## The Burden of Freedom (Paperback)

---

By Dr Myles Munroe

CREATION HOUSE, United States, 2004. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. The Burden Of Freedom explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, The Burden Of Freedom should be available to every citizen and on the shelves of every high-school, college, and community library in the country.
