# CONTEMPORARY MANAGEMENT OF MYELOPROLIFERATIVE NEOPLASMS

Jaypee Brothers Medical Publishers. Hardback. Book Condition: new. BRAND NEW, Contemporary Management of Myeloproliferative Neoplasms, Brady L. Stein, Brandon J. McMahon, Myeloproliferative neoplasms (MPN) are a group of blood disorders related to leukaemia in which the body makes too many blood cells. MPN originates in the bone marrow - the soft tissue in the middle of the bones, where all the blood cells are made. In patients with MPN, normal blood cell production breaks down and the bone marrow becomes...
