Transworld Publishers Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. It starts with you waking on a Maine beach, naked, half-drowned and very, very cold. Your name is Daniel Hayes. At least, you think it is. That s the name on the insurance card you find in the BMW parked near you. How did you get here? And why? All you remember is a woman s face. So you set off to the only place you might find her. But this raises the most chilling question of all: what will you find when you get there? From Lee Child. Like any reader, I love old favourites .but I love new voices too, and I especially love it when a new voice starts to become an old favourite. It doesn t happen often, but right now it s happening with Marcus Sakey. He s got it all. He writes like a dream, he creates characters exactly like people you know, he scares you, and above all keeps you turning the pages. But most of all he does the what if thing better than anyone in the business. What if questions power a lot of plots, but Sakey is special. He doesn t just check a box or construct a neat twist for the sake of it. Reading him between the lines, I guarantee he lives this stuff .he thinks it through and sweats it out, probably for weeks at a time. I can see him, looking around at all the things he loves, looking at his house, turning and looking at his wife, asking himself, What if? What if I had to put all this at risk? Would I? Could I? How would it feel? What would be the effect on...
