ARSENAL PULP PRESS, Canada, 2006. Paperback. Book Condition: New. 201 x 140 mm. Language: English . Brand New Book. Finalist for the ForeWord Magazine Book of the Year Award (Gay/Lesbian Fiction) Shortlisted for the ReLit Award for Best Novel The first novel by George K. Statisticians called the data massage, increasing the sample size. Managers called it, broadening the research horizon. Sebastian called it, diluting the evidence. Diluting it until the answer came back, no detectable residue....
